Today's starting point

Causes of all
DALYs, EU 2015

Global Burden of Diseases, Institute of Health Metrics and Evaluation. DALYs in EU, 2015, all sexes, all ages.

#EPHA2017

Breaking the bank?

- €700 billion per year in healthcare spending
- €115 billion economic loss from premature deaths
- 1.7% GDP on disability and sick leave annually
- €617 billion economic loss from mental disorders
- Global loss of \$47 trillion by 2030

European Commission, 2014 | Health at a Glance, 2016 | Matrix, 2013 | Harvard School of Public Health & World Economic Forum, 2011
