

THE VELUX VISION

To lead the development of
healthier living environments
with daylight and fresh air
through the roof, and to be rated
as the best in the eyes of our
customers.

1

KEEPING HEALTH AT THE CORE OF OUR BUSINESS

- VELUX is a family business. There is nothing as important, in every family, as Health. Therefore strong commitment remains.
- Answering the future challenges. → VELUX healthier future:

COMMING SOON!

TWO MAIN MESSAGES TO TAKE HOME

- Building your **business model around health**, not only delivers healthy working conditions for your employees, but also **creates healthies societies**, increases overall **welfare** and **reduced financial and health-related risks**.
- VELUX corporate strategy for the last 75 years is the living example this can be implemented in **affordable and sustainable manner**. Supporting projects with **111 million EURs in 2016**, VELUX has been directly supporting the creation of **Healthy planet for its inhabitants**.

Bringing light to life™
