Tackling the health impacts of non-exhaust road emissions

What the issue?
The perspective of older people

Julia Wadoux, 3 June 2021
EUROPE'S AGEING POPULATION

2017: 99 mill. people (19.5% of total population)

2020: 104 mill. people (20.4% of total population)

2030: 124 mill. people (23.9% of total population)

Older people are not a homogeneous
Air pollution will impact older individuals differently
Impact of air pollution on older people’s health
Also a rights issue
Tapping into the political momentum
