*Final  
Conference*

17 NOVEMBER 2022  
KINÉPOLIS, ANTWERP

HOW TO CLOSE THE GAP BETWEEN PROFESSIONALS AND HARD  
TO REACH PEOPLE, WITH THE HELP OF PEER SUPPORTERS

Join us for this day of learning and networking including guest  
speaker Dr. Hans Bellaart, testimonials from project  
participants and social marketing insight.

Four interactive multi-lingual workshops include:

- 1 to 1 peer support, a buddy to rely on
- Group peer support, share your power
- Engaging with autistic adults
- Best practices & limits for peer support with people from different cultural backgrounds

**Agenda & registration:** <https://bit.ly/ENSUREconference>

# About the guest speaker

DR HANS BELLAART  
SENIOR RESEARCHER VERWEY-  
JONKER INSTITUTE  
COORDINATOR PORTAL  
PLATFORM INCLUSION &  
COMMUNITY

Dr Hans Bellaart mainly deals with diversity issues in the social domain. He studied pedagogy in Utrecht. Previously, he worked in youth care and for FORUM, Institute for Multicultural Issues.

He has extensive experience in research among various communities with a migration background. Among other things, he conducted research on the role and added value of key people and intermediaries, such as the Schilderswijk mothers in The Hague. He is also an ambassador for the Schilderswijkmoeders.
